

Sleepy Hollow is a MSG Varsity V Award Winner

Alexander Berger the writer and director, as well as, members of the multimedia team won first place honors for Best Original Production for the MSG Varsity V Awards competition. Over 740 entries competed for the V Award's nine categories.

Sleepy Hollow had four nominations, which was more than any other school in the tri-state area. Megan Lindon was nominated in the Writing Category for the Digital News. Matt Lighty was nominated for the Best All Around School Coverage. Alex was nominated for Best Original Production and Best Writing for his video, Our Legend.

On Thursday, May 27th MSG Varsity announced the winners on their program called Sports Desk. The Best Original Production video was selected by the public. Voting took place online for over a week. Alex's winning video, Our Legend, received over 44% of the votes in a competition among schools in the tri state area. Alex will win a Trophy and the Multimedia Team will receive a check for \$5000 at the Sleepy Hollow Academic Awards Night.

Our Legend is the introductory video on this year DY10 - Digital Yearbook 2010. It can also be viewed on the home page at www.sleepyhollowhits.com and on TV77.

A special thank you goes to the Foundation of the Tarrytowns for giving the multimedia team a grant for a 64 bit high speed computer. The video project would not have been possible without this computer. All special effects were created and the video was edited on this new machine.
